No not that. It's like the words NoHo was peeled off. There is also some evidence of etching, so maybe they lifted the sticker off that way.

Thanks, Aaron. When you say NoHo was removed, do you mean that it was sprayed over?

Hi Brian,

I noticed some recent vandalism to one of the NoHo Plaza signs that I wanted to make you aware of.

The sign in the rear (closest to the alley) has had the word NoHo removed from the top panel and the bottom panel (which didn't have any words on it) has been ripped off. See the attached pictures.

Thanks,
Aaron
